

July 18, 2005

Judge John Anderson, III  
Johnson County Courthouse  
101 N. Kansas  
Olathe, KS 66061

Dear Judge Anderson:

On June 14, 2005 a Johnson County jury determined that I am guilty of the “crime” of exercising constitutional rights due to the *sua sponte* amended complaint you ordered on January 23, 2004.

This is to notify you that I am an unrepentant Johnson County serial blackmailer and that I am “blackmailing” you. This letter meets all the elements for the “crime” outlined in the amended complaint.

This letter is a willful act by me to compel you to act against your will and resign from public office by threatening you with public ridicule, contempt, or degradation by exposing your corruption on [www.fairtrialsinamerica.org](http://www.fairtrialsinamerica.org) if you refuse to quit office.

While posting this letter is a constitutionally protected activity elsewhere in our Nation, it constitutes “blackmail” if mailed or hand-delivered in Johnson County Kansas.

Only in your court and by your order can this letter be construed to be felonious. Please note that this letter is postmarked in Kansas, clearly making it a Johnson County felony according to your practice as a Kansas judge.

This letter meets all the elements for the “crime” of “blackmail” when you ordered my prosecution on January 23, 2004 without recusal in violation of K.S.A. 22-230(2) and in violation of Judicial Cannon 2A, Judicial Cannon3B(1), and Judicial Cannon 4(G).

This is to notify you that I am announcing a hunger strike for every day I spend in jail over this false conviction. Accordingly, I am notifying Johnson County Sheriff Frank Denny so that his jail can review the protocol for this event. I will remain on an apple juice and water diet until a Kansas judge orders me to be force-fed.

Further, on July 28, 2005 I will resume the auto-dialing campaign directing Johnson County citizens to the website [www.fairtrialsinamerica.org](http://www.fairtrialsinamerica.org) at the rate of 30,000 homes daily. After the citizens of Johnson County are alerted, the citizens of Wyandotte County will be alerted followed by the entire state of Kansas.

Judge Anderson, admit your corruption and quit office. Spare my family and the citizens of Kansas from an unnecessary ordeal that can quickly end with the truth and your subsequent resignation.

Sincerely,

THE BUMBLE BEE  
Conrad J. Braun
