Sarah Welch
Assistant District Attorney
P.O. Box 728
Olathe, KS 66051

Dear Ms. Welch:

Supreme Court Rule 3.8 (a) states that a prosecutor shall “refrain from prosecuting a charge that the prosecutor knows is not supported by probable cause.”

The original complaint against me failed to state that I broke any law. There is no probable cause.

Rather than dismissing the original complaint, Judge John Anderson, III practiced law on behalf of your office, ordered an amended complaint based on affidavits, and then failed to recuse as required pursuant to KSA 22-2301(2). When I went to Judge Anderson’s chambers to set a *pro se* recusal motion for hearing, Judge Anderson reported a false complaint of jury tampering and ordered my arrest and then recused on this phony collateral matter he created.

The sequence of events suggests Judge Anderson attached to the ongoing obstruction of justice cover-up and retaliation conspiracy in federal court involving the Johnson County District Attorney’s Office.

Apparently you have now been assigned to prosecute me under the Amended Complaint ordered by Judge Anderson. For the life of me I don’t understand why Paul Morrison doesn’t personally prosecute me but I think you are entitled to a letter from me explaining the situation.

Please examine the record of this case. It is your duty not to prosecute this case if there is no probable cause. I am mailing this letter to you now, which is a constitutionally protected activity, since I am mailing it from California. But I will hand deliver the same letter to you on June 10, 2005 in the courtroom of Johnson County where it becomes felonious under elements of the amended complaint ordered by Judge Anderson.

Should you choose to proceed with this case a copy of this letter will be published on the evening of June 10, 2005 at www.fairtrialsinamerica.org.

To put it bluntly Ms. Welch, this letter meets all the elements of the “crime” outlined in the amended complaint. It is a willful act by me to compel you to act against your will to prosecute me by threatening you with public ridicule, contempt, or degradation if you choose to act as a lackey for corrupt Johnson County District Attorney Paul Morrison.

It is my hope this letter will help you recognize the silliness of your position and your duty not to prosecute this case.

Of course, I am not blackmailing you anymore than I blackmailed Mr. Kirk on March 17, 2003, on May 18, 2005, or the week of June 13th when I make the same offer again to Mr. Kirk in the Johnson County Courthouse before a jury of my peers should you choose to proceed to trial.

There can be no probable cause for the “crime” of exercising rights guaranteed by our Constitution. However, for you to proceed may be a violation of Title 18 USC 241 and Title 18 USC 242. Pursuant to my duty as per Title 18 USC 4 a copy of this letter is being sent to the proper authorities.

Best Regards,
