MEMORANDUM OPINION

The plaintiff, Conrad J. Braun, filed this civil action under K.S.A. 60-260(b) for relief from criminal convictions in cases numbered K-61261, K-64438, K-67315, and K-67532. Plaintiff and the State of Kansas have filed their briefs, and the Court has considered the arguments set forth in the briefs filed by each party.

Plaintiff was charged with and either convicted of or plead guilty to four criminal charges in the early 1990s:

- In March 1990, he pled guilty in K-61261.
- In September 1990, he was found guilty in K-64438.
- In July 1991, he was found guilty in K-67315.
- In September 1991, he pled no contest in K-67532.
- He has either completed his probation or served his sentence in each of the four cases.

He has filed this civil action for relief from each of the convictions, claiming that they were procured by fraud and that the district attorney's office concealed material
